

IGNITE Athlete Development Program

Code of Conduct & Program Commitment Agreements

Code of Conduct

Each athlete is an ambassador for their sport and community. Further to this, athletes selected for IGNITE Program scholarships are held accountable to the following code of conduct by the PacificSport Centre / Canadian Sport Institute Pacific (CSI Pacific) campus granting their scholarship. By signing this athlete agreement, the athlete acknowledges and understands and agrees to abide by the following guidelines:

1. The athlete will demonstrate **significant commitment** to the IGNITE Athlete Development Program, as demonstrated by attendance at all scheduled training sessions unless otherwise arranged with the Lead Coach, punctuality, and full effort and energy at each session.
2. The athlete will show **respect** for their IGNITE Program coaches, teammates, guests and the PacificSport/CSC Pacific staff members, as well as the proper treatment of all facilities and equipment being utilized.
3. The athlete will contribute to a **high performance culture**, demonstrating motivation and a drive to improve her/her own abilities, while encouraging others in the program to do the same.
4. Both the athlete and parents are expected to **communicate regularly** with the Lead Coach. This can include (but is not limited to) arrangements around missed training sessions due to competitive/school events or illness, updates about the athlete's health that may affect his/her performance in the program, or questions, concerns, or comments regarding the program.
5. The athlete must wear supplied **team apparel** at all training sessions.
6. The athlete will **avoid any conduct or action that disparages** PacificSport / CSI Pacific.
7. The athlete will **avoid the use of banned substances** and practices that contravene the rules of World Anti Doping Association (WADA), the rules of their International Federation or the Canadian Policy on Penalties for Doping in Sport.
8. The athlete will act in accordance with a **harassment and abuse free environment**.
9. It is the athlete's responsibility to **notify their PacificSport Centre / CSI Pacific Campus of any change** in personal information including name, address or other information.
10. The athlete and parents are encouraged to discuss any concerns or questions with their respective PacificSport Centre / CSI Pacific campus.

If the athlete does not abide by the rules outline in 1 - 10, the scholarship and services offered by PacificSport / CSI Pacific to the athlete may be terminated.

Program Commitment & Attendance

IGNITE Athlete Development Program scholarships are carefully allocated to athletes demonstrating commitment to their sport and the program, discipline in their pursuit of excellence, and desire to participate in the program. A limited number of scholarships are distributed each year, and as such it is expected that each athlete maintain their commitment by attending all training sessions for the duration of the program.

Athletes who are unable to attend a scheduled training session must notify their Lead Coach as early as possible, in order to make alternate arrangements.

I, _____, as an IGNITE Athlete Development Program scholarship recipient from CSI Pacific / PacificSport, agree to abide by the terms outlined above.
